

EU Peers

**A European Community of Practice for
Integrated Home Renovation Service Practitioners**

**Jenny-Claire Keilmann
Climate Alliance**

Aim of the EU community of practice

Strengthen and upscale the IHRS concept

- Supporting skilled practitioners
- Build bridges between existing and emerging initiatives

Build a vibrant and helpful community

- Inclusive community, engaging and connecting practitioners for collaborative problem-solving
- Facilitate dialogue and insight sharing, fostering the emergence of a common culture among participants and beyond

Multiple entries & opportunities to participate

- **National platforms** in IT, FR, ES, HU, LV organise regular platform meetings (online/physical); one extended **European platform**
- **Transnational Community groups**
- Three physical European gathering events in Brussels
- **Mentoring programme** for emerging IHRS
- **Digital collaboration platform** to exchange and share documents

...A lot of opportunities to learn and share and progress together

Support of the IHRS movement

- ✓ **Give visibility to the movement** by showcasing its impact
- ✓ **Awareness raising** campaign for public authorities
- ✓ **Policy debates** at national and European level
- ✓ **Round tables** with market operators at national level
